Submitted to His Highness.

34) In their order No.J.1085-94/Police 256-12-5 dated 25th September 1913, Government sanctioned a sum of Rs.2,876/- for house rent for constables undergoing training in the Police Training School. In connection with the proposals to open a hostel for the school, the Inspector General of Police recommended that the house rent of Rs.2 per mensem given to each constable attending the school might be continued and treated as local allowance in addition to the free lodging proposed to be given to them in the hostel. Though this recommendation was not expressly sanctioned by Government it was tacitly accepted by them when they sanctioned an additional expenditure of Rs.1,200 for rent of buildings for the hostel - vide G.P.No.J.882-3/Police 195-13-2 dated 28th September 1914. The Comptroller, has, however, stopped the monthly allowance of Rs.2 referred to above for want of definite orders in the matter. The Inspector General therefore requests express sanction of Government to the continuance of the allowance.

35) 2. The Financial Secretary thinks that the local allowance should not be sanctioned for reasons stated by him in paras 14 to 17 of the notes.

36) 3. The late First Member's opinion in the matter is that the continuance of the allowance is quite essential and may be formally sanctioned. The present First and Second Members agree with him.

37) 4. Concurring with them, I recommend that the continuance of the allowance may be formally sanctioned.

Very Urgent.

No. 4541/585 OFFICE OF THE INSPECTOR GENERAL OF POLICE IN MYSORE.

Encl.

Dated Bangalore, 26th Feb 1916.

From

Diwan Bahadur C. SRIKANTESVARA AIYAR, B.A., B.L.,
Inspector General of Police in Mysore.

To

The Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

I have the honor to forward herewith, for information of Government, a copy of Docket No.6391/T.A.M.1431-2 dated the 21st February 1916, from the Comptroller, to the Principal, Police Training School, regarding the small allowance of Rs.2/- each drawn by the constables undergoing training in the school, and to state as follows:-

2. Government in their Proceedings No. J.1085-94/Police.256-12-5 dated the 25th September 1913, while revising the scale of the Police Training School, sanctioned a sum of Rs.2,876/- for house-rent for the constables.And while submitting further proposals for certain increased expenditure on account of the school, its hostel etc, I stated in para 10 of my letter No.C.244 dated the 1st April 1914, as follows:-

* Vide item VI of the sanctioned scale.

> "Every constable now attending the school at Bangalore gets a house rent of Rs.2/- per mensem. Considering the costliness of living in Bangalore and the inadequate pay of a constable who, while under training, has not only to maintain himself but also his family in his own village, the house rent now being given may be treated as a local allowance to the constables under training, in addition to the free quarters proposed to be

provided for in the hostel. This concession will enable the constables to partake of a uniform kind of meal within their slender means".

And in consonance with the said recommendation, I proposed an annual recurring expenditure of Rs.2,400/- for house rent for the Hostel, in addition to Rs.2,876/- which had been sanctioned in the Proceedings of September 1913, which was meant to be treated as local allowances to the constables at Rs.2/- each per mensem.

3. Government, accordingly, sanctioned in their Proceedings No.J.882-3/Police.195-13-2 dated 28th September 1914, a certain amount of expenditure, in addition to what had already been sanctioned in the said Proceedings of September 1913, reducing, however, the item under rent for Hostel buildings to Rs.1,200 per annum, instead of Rs.2,400/- asked for by me. They thereby left untouched the sum of Rs.2,876/- referred to in para 2 supra, which, according to my recommendation and as apparently acquiesced to by Government, has been treated as local allowances, which the constables in the school, ever since it was reorganized in January 1915, have been drawing at Rs.2/- each per mensem.

4. Further, the heading of the statement of expenditure appended to Government Proceedings No.J.882-3/Pol. 195-13-2 dated 28th September 1914, clearly asserts itself to be a "statement of additional expenditure sanctioned for the efficient working of the Police Training School", from which also it clearly follows that the amount of Rs.1,200 sanctioned therein for rent for Hostel buildings, has nothing whatever to do with the sum of Rs.2,876/- sanctioned for house rent in Government Proceedings No.J.1085-94/Police.256-12-5 dated 25th September 1913, which amount was obviously left intact for meeting the expenditure on account of the local allowances for the constables under training in the school.

Docket No.6391/T.A.M.1431-2 dated 22nd February 1916 from the Comptroller to the Government of Mysore, to the Principal, Police Training School, Bangalore.

"Adverting to his No.463 dated 25th January 1916 stating that the Police men withdrawn from the several Taluks for training in the Police Training School are accommodated in the hostel attached to the school and that the Inspector General of Police in Mysore has been requested to move Government to treat the house-rent hitherto sanctioned to the men as Local Allowance, has the honor to state that the allowance should not be drawn in future without obtaining definite orders of Government in the matter. Sanction of Government may also be obtained to admit the allowances hitherto drawn from the date of opening of the hostel, or the amount drawn on behalf of the several individuals may be caused to be recovered. The Deputy Commissioner, Treasury Department, Bangalore has been instructed not to disburse the allowance in future".
